

### Mickey's Not So Scary Halloween Party

The one-of-a-kind Halloween party where Guests can trick-or-treat immersed in the fantasy of the *Magic Kingdom*® Park has returned. The 2009 event will take place from 7:00 p.m. to midnight on select nights in September and October.

#### **Event Highlights:**

- The ever popular *Mickey's "Boo-to-You" Halloween Parade* is back at 8:15 p.m. and 10:30 p.m.
- Trick-or-treating throughout the *Magic Kingdom*® Park at numerous treat locations
- *Happy HalloWishes* fireworks spectacular – the Disney Villains go trick-or-treating in the sky at 9:30 p.m.
- Characters decked out in their favorite costumes — so wear yours too
- Use of popular *Magic Kingdom*® Park attractions

#### **Fun tips and offerings:**

- Watch for the Headless Horseman prior to the *Mickey's "Boo-to-You" Halloween Parade*
- Have your fortune told by one of the resident gypsies

Remember this event is **not included** with regular Theme Park admission and does require a separate ticket. If your Guest is going into the *Magic Kingdom*® Park that day on a regular Theme Park ticket and has purchased a ticket for this event as well, they will need to get a wristband to remain in the park for the evening.

### Special Event Reminder

The first *Mickey's Not So Scary Halloween Party* of the year will take place on Friday, September 4th. This means the *Magic Kingdom*® Park will close that evening (and every evening that this special ticketed event occurs) at 7:00 p.m. Remember to inform your Guests that, if they do not have tickets for *Mickey's Not So Scary Halloween Party*, they will be required to leave the Park by 7:00 p.m. on those evenings. Recommend they add the *Park Hopper*® Option to their tickets so they can enjoy the remainder of their day at one of the other Disney Theme Parks.

### **"What will you celebrate?" Reminder**

Disney's "What will you celebrate?" campaign continues to successfully bring Guests to the *Walt Disney World*® Resort to celebrate their birthdays with family and friends! The festivities continue through the end of 2009. Now is a good time to remind everyone that, while registering a birthday in advance at [www.disneybirthdaytreat.com](http://www.disneybirthdaytreat.com) will save Guests time in line on their birthday, registration is not mandatory. Please remind Guests who want to take advantage of the "Free on your birthday" offer to bring their proof of birth to a Disney Theme Park Will Call window on their birthday, even if they have not registered beforehand. Another important reminder: all birthday offers and options are redeemed at Theme Park Will Call windows, not Guest Relations.
